PUBLISHED BY ASSOCIATED STUDENT BODY
SANTA ROSA JUNIOR COLLEGE

Foreword . . .

*Memories often fade away
In the face of life's endeavor,
So lay me in a guarded spot,
In me they live forever.*

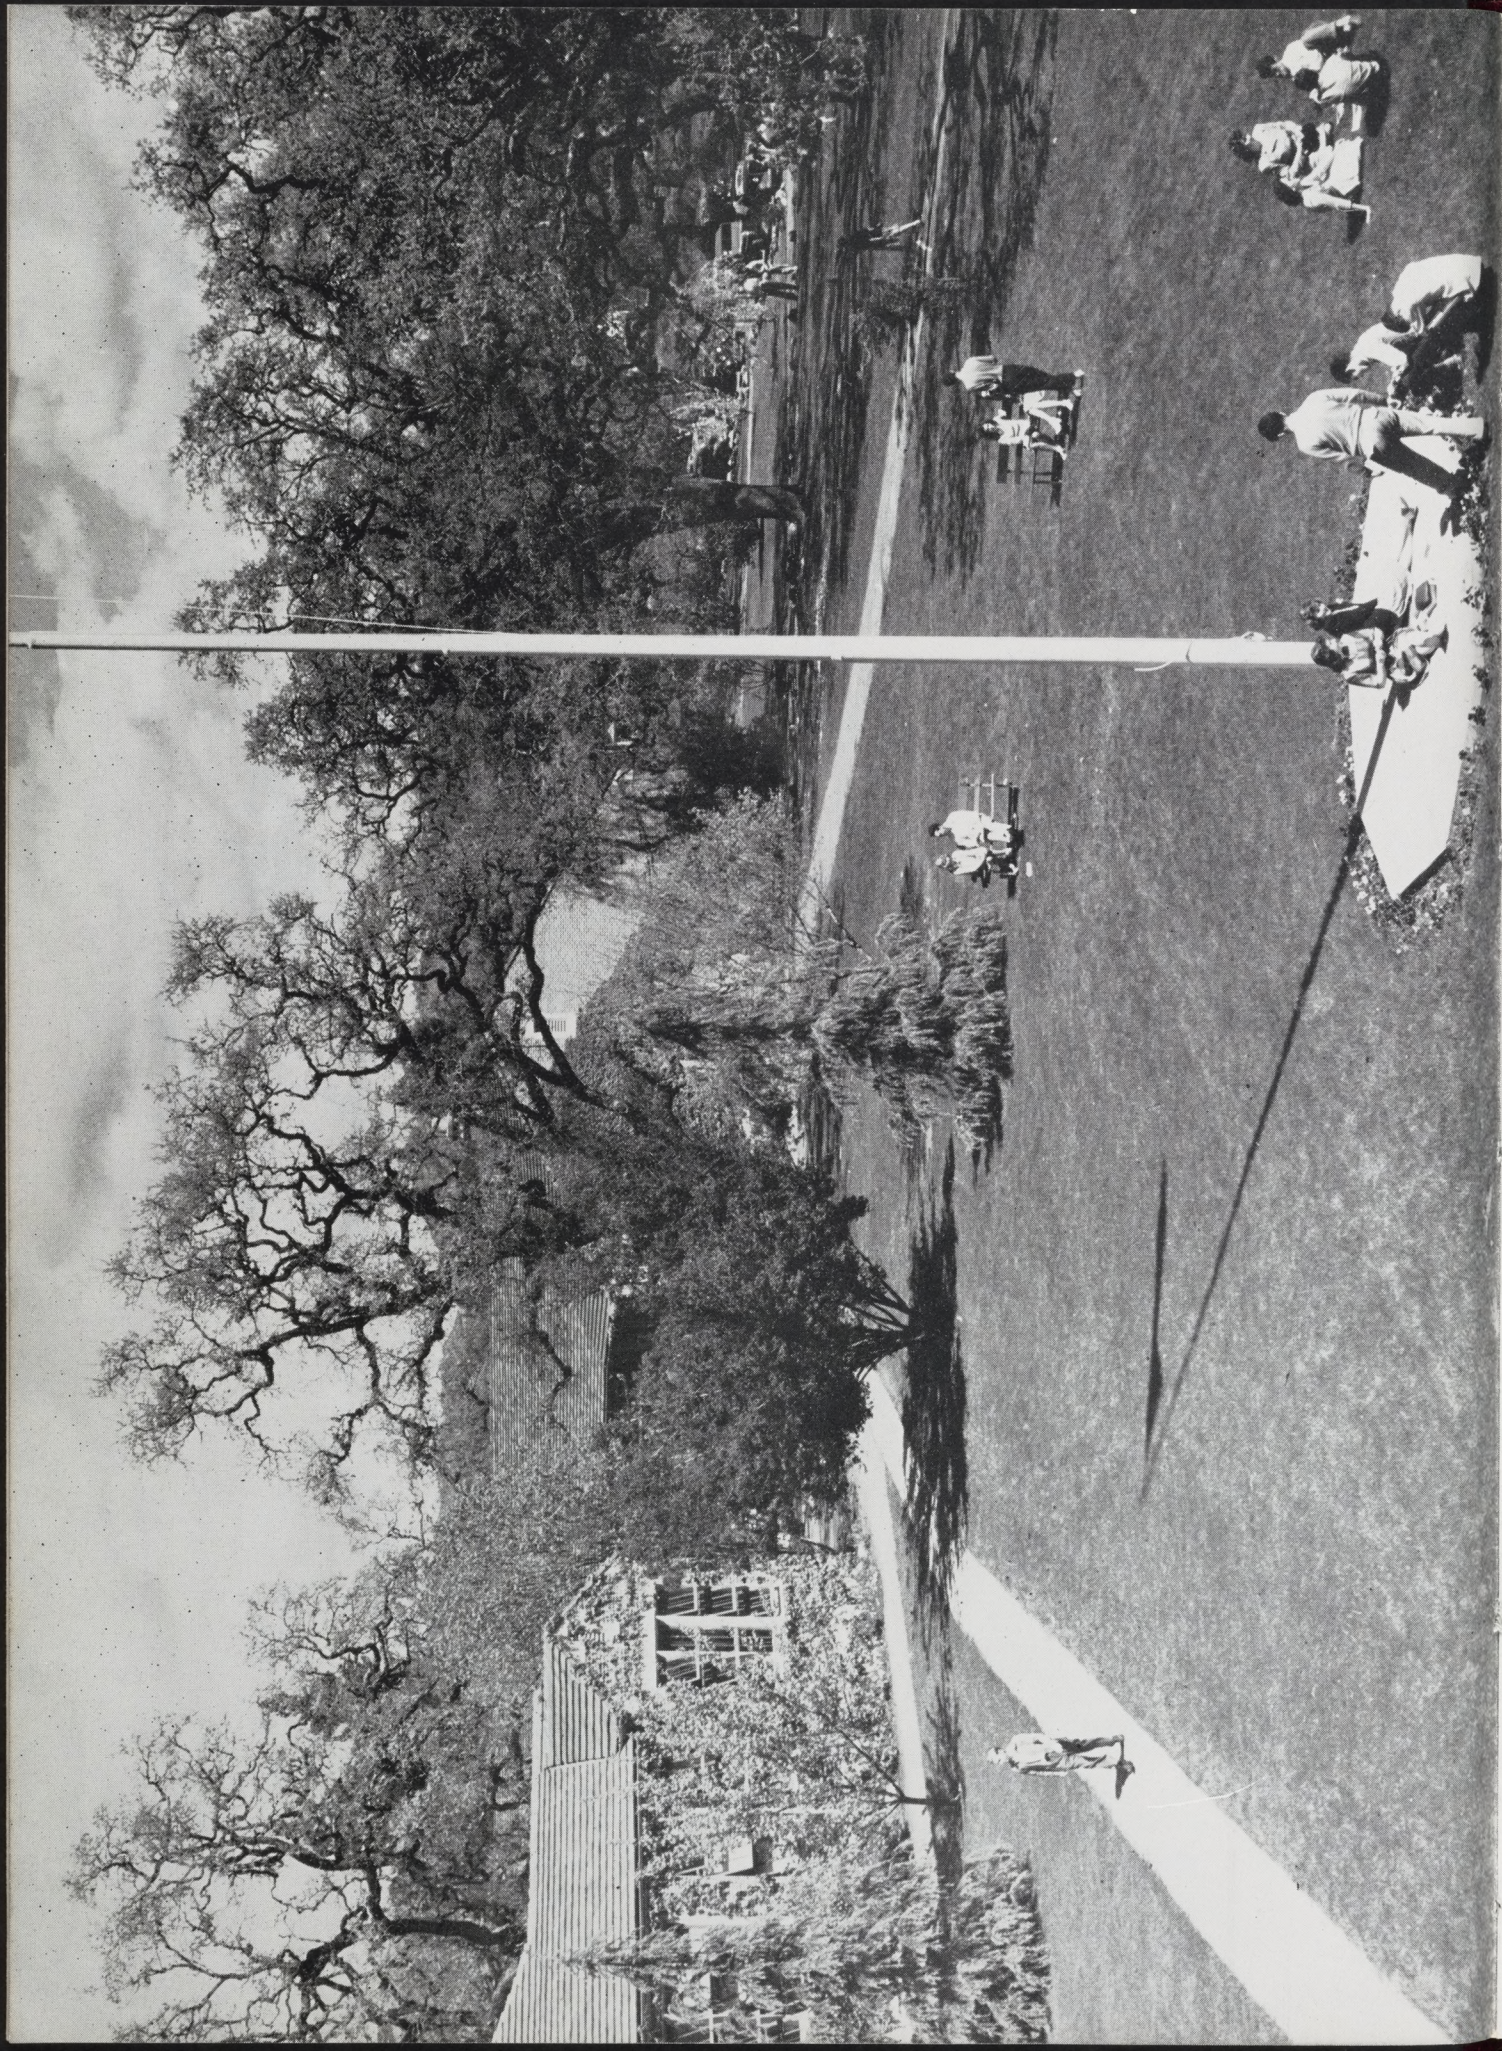

I am the "Romany token"
Of students
Who etch their mark
And pass on,
But often look back
Through my timeless pages
And ponder the memories
Thereon.

For twenty-one years now
I have recorded
The toiling and laughing
Jaycee,
With studies and dances
And games and their glories.
What pleasant old memories,
Ah me!

*Now you students of forty-eight
Have filled my eager pages,
And I will hold your memories
Far into future ages.*

President's Message

At the end of a college year it is always advisable to take stock; to consider the things that have been done and things that have been left undone; to summarize our successes and our failures; and upon the basis of our experiences, make plans for the future. We, here at the Santa Rosa Junior College, have, I believe, just completed a very successful year. The student body, under very capable student leadership, has functioned efficiently and well. It has been the policy of the administration to give the students complete freedom in handling their own affairs, and you as students have demonstrated the fact that you are entirely capable of managing your own business. In addition to a thorough training in the fundamentals of your chosen vocation, we believe that it is very important that you receive some practical training in how to function in a democratic society. This you learn by taking an active part in student government. Socially, athletically, dramatically, musically, and scholastically we have done well. The classroom facilities and offerings have been expanded and the grounds improved, so naturally I have a feeling of accomplishment, if not of complete satisfaction.

I feel that the future holds much for the Santa Rosa Junior College. Studies based upon birth rate increases and population shifts indicate a large future student population. Every effort is being made by the Board of Trustees to provide adequate facilities for all. Five more buildings are planned including expanded gymnasium space, two classroom buildings, more shops, and a student union. Our plans also include tennis, volleyball, and outdoor basketball courts.

All these additions and changes are contemplated for the purpose of providing better physical facilities and more extensive course offerings for the young people of this area.

Varsity Football

The Bear Cubs, for the second consecutive season, placed third in the N.C.J.C. conference behind Menlo and Vallejo.

After winning five out of eight league games, the Santa Rosa Bear Cubs received an invitation to play the Everett Junior College Trojans in the first annual Evergreen Bowl game in Everett, Washington. Everett Junior College emerged victorious in a game hampered by a continual downpour of rain by a score of 18 to 6.

"Nails" plans trouble for Bear Cubs' opponents.

Basketball

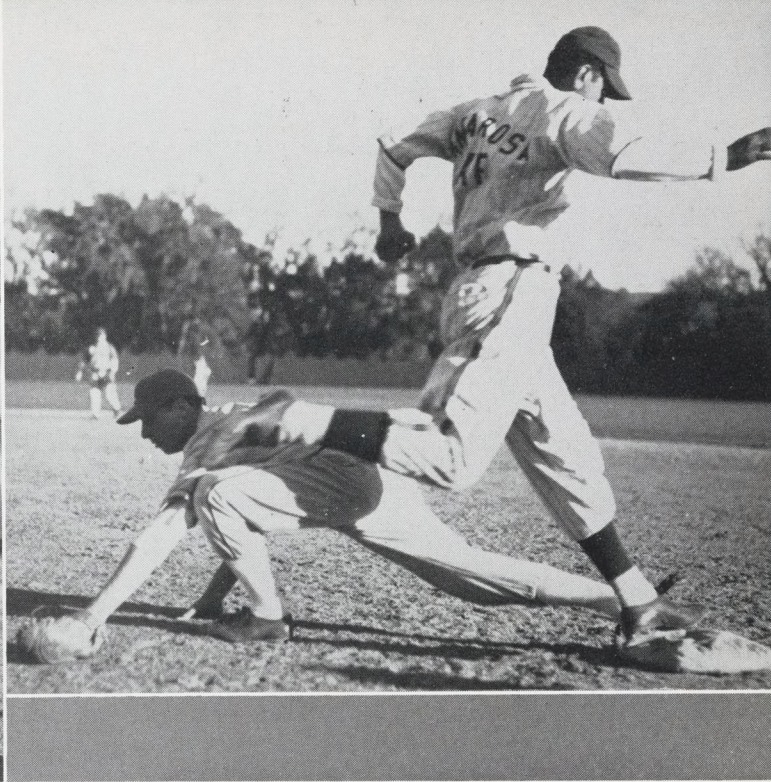

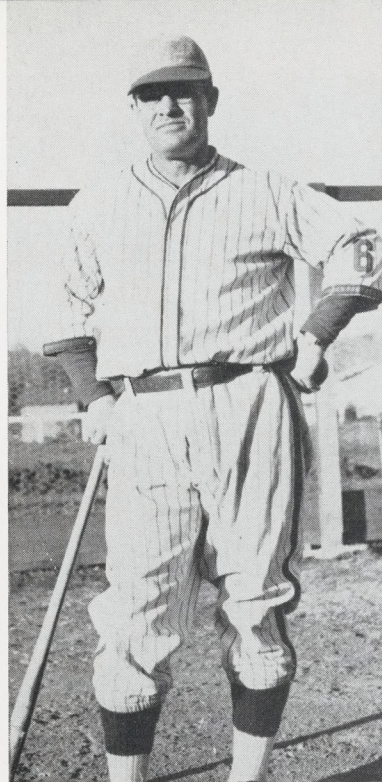

After a successful practice season in which the Bear Cubs won eight out of eleven games, they were hampered by eligibility rules and as a result they suffered ten losses to four wins in N.C.J.C. conference play. Although sometimes far outclassed, the Bear Cubs never gave up and several times were beaten by only a few points after a valiant fight.

KNEELING, left to right: R. Maffei, J. Fitzgerald, B. Shyvers, P. Barone, N. Tocher, J. O'Sullivan, K. Clark, E. Yonkers, D. Azevedo. STANDING: Coach Mastin, B. Fitzgerald, J. Conner, D. O'Hair, G. Gleason, B. Peters, T. Taylor, S. Sapporici, J. Conlon, G. Baba, manager.

Out by a step.

Baseball

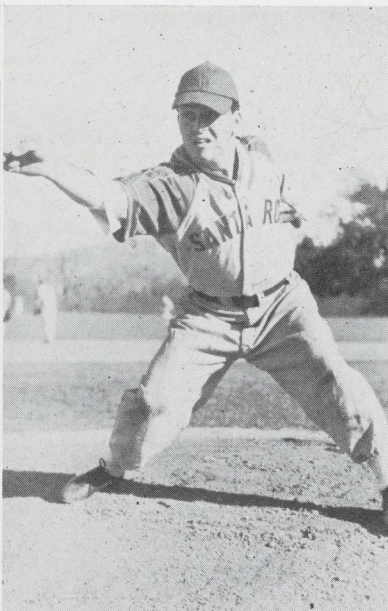

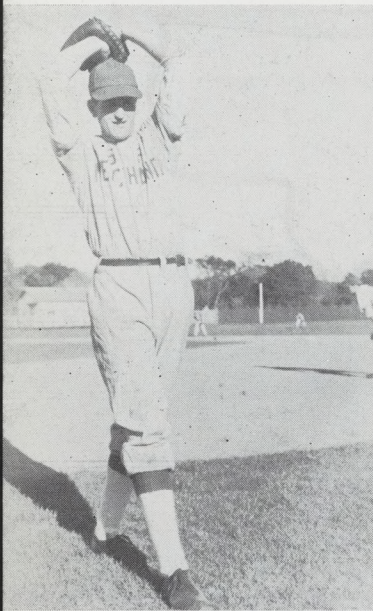

With the largest baseball turnout in Santa Rosa Jaycee history, Cook Sypher's nine ended the season with a first place conference tie.

Returning lettermen John Fitzgerald, Leo Sullivan, Boyd Jensen, Bob Larson, Dave McCarty, Dick Azevedo, and Norm Canevari furnished the nucleus that was needed to field a top flight team.

Sports Review

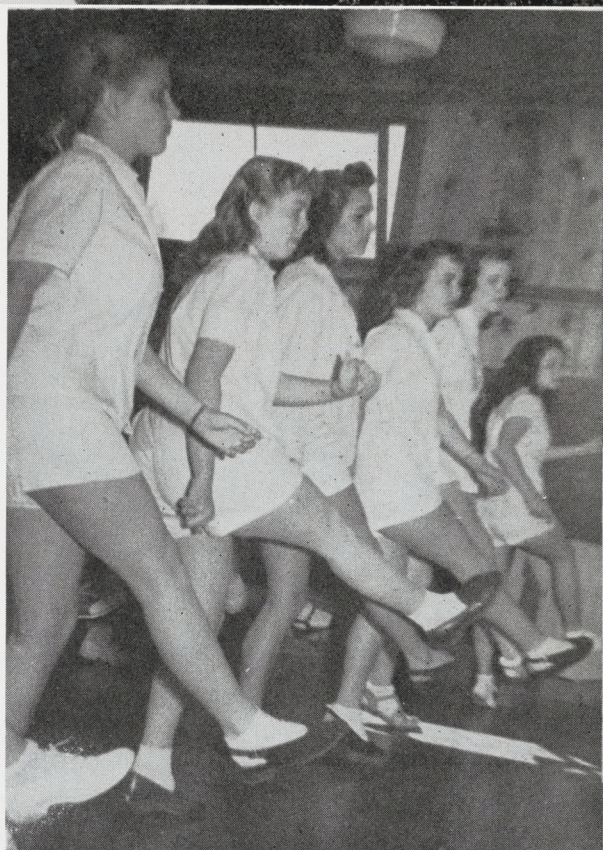

The women of S.R.J.C. prove their power in athletics by going out for sports. Points are awarded for the participation in these sports. These points, when added, give awards to the most athletic of the women. 300 points equal a pin, 500 points equal a guard pin and a block.

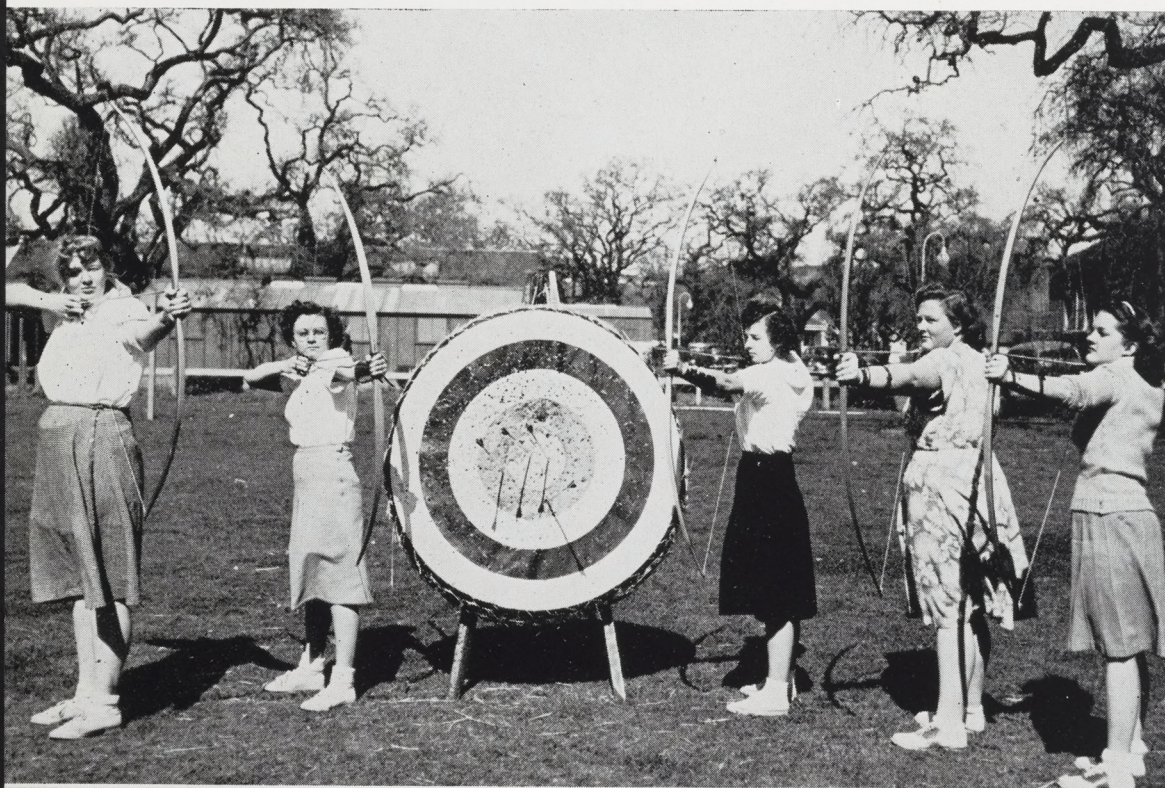

Women in Sports

Once or twice a year S.R.J.C. stages a playday in which the W.A.A. members of many schools take part. The girls enter the sports of their choice and compete for honors which go to their schools. At the end of the day there is a banquet and skits put on by the various schools.

The largest of the playdays this year was the playday in April, and one of the biggest competitions is the Marin-Santa Rosa tournament which equals the "Big Game" in football.
